Radius Packaging Named 2022 Plastics News Processor of the Year Finalist

NEW BERLIN, Wisconsin, January 25, 2023—

Radius Packaging is proud to announce its nomination as a 2022 Plastics News Processor of the Year finalist. Applicants were evaluated on technological innovation, environmental performance, quality data, financial performance, customer and member relations, and public service. Radius is one of four nominees that demonstrate excellence in all seven categories.

Radius is a leading manufacturer of rigid plastic packaging products in the Midwest. With blow molding, injection molding, and labeling capabilities, Radius offers complete rigid plastic packaging solutions. From its two state-of-the-art facilities in southeastern WI, Radius offers the expertise and flexibility to deliver off-the-shelf, tailored, and custom solutions for a wide variety of applications. Radius customers include many blue chip national and regional consumer packaged goods companies and contract packagers and fillers serving a diverse set of markets, including food and specialty beverage, home care, professional cleaning, nutrition and wellness, and pet care. Radius specializes in short- to mid-run packaging solutions for even the most complex needs. From concept to commercialization, Radius creates innovative, functional, and sustainable solutions supported by a dedicated team of packaging experts who put customers first.

Radius is applauded by Plastics News for its familial company culture, passion for member and community education, and industry leadership in sustainability.

Radius and other finalists will be honored at the Plastics News Executive Forum taking place on March 1st, 2023, in Clearwater Beach, FL. The Processor of the Year will be named at the ceremony and will be the 28th winner in the history of the award.
