Radius Packaging Wins Excellence in Industry and Public Service Award

NEW BERLIN, Wisconsin, March 22, 2023—

Radius Packaging was honored at the Plastics News Executive Forum on March 1st, 2023, in Clearwater Beach, FL. Radius was presented with the Excellence in Industry and Public Service award.

This award recognizes outstanding commitment and performance in the plastics industry and the community. Plastics News specifically recognized Radius for robust internship and apprenticeship programs and a passion for community education. Radius was also applauded for sustainability initiatives, such as cutting energy costs and being a leading educational resource for customers.

About Radius Packaging

Radius Packaging is a leading manufacturer of rigid plastic packaging products in the Midwest. With blow molding, injection molding, and labeling capabilities, Radius offers complete rigid plastic packaging solutions. From its two state-of-the-art facilities in southeastern WI, Radius offers the expertise and flexibility to deliver off-the-shelf, tailored, and custom solutions for a wide variety of applications. Radius customers include many blue chip national and regional consumer packaged goods companies and contract packagers and fillers serving a diverse set of markets, including food and specialty beverage, home care, professional cleaning, nutrition and wellness, and pet care. Radius specializes in short- to mid-run packaging solutions for even the most complex needs. From concept to commercialization, Radius creates innovative, functional, and sustainable solutions supported by a dedicated team of packaging experts who put customers first.
