

**PRESS RELEASE**  
FOR IMMEDIATE RELEASE

**Radius Packaging Delavan Facility OSHA SHARP Certified**

**Delavan, Wisconsin, September 21, 2023—**

Radius Packaging's Delavan facility is OSHA SHARP Certified as of September 21, 2023. This certification demonstrates Radius Packaging's commitment to health and safety beyond OSHA Regulations. Radius is one of only twelve companies within the state of Wisconsin to achieve this certification, and the New Berlin facility is the oldest to maintain it.

To be SHARP Certified a company must: Have a history of maintaining an injury and illness rate below the national average for its industry, participate in a comprehensive consultation visit for both safety and health, participate in a full evaluation of the health and safety management program in place for the company, involve employees in the consultation and safety management processes, correct all serious, other-than-serious, and regulatory hazards found, and have all basic elements for managing health and safety in place.

**About Radius Packaging**

Radius Packaging is a leading manufacturer of rigid plastic packaging products in the Midwest. With blow molding, injection molding, and labeling capabilities, Radius offers complete rigid plastic packaging solutions. From its two state-of-the-art facilities in southeastern WI, Radius offers the expertise and flexibility to deliver off-the-shelf, tailored, and custom solutions for a wide variety of applications. Radius customers include many blue chip national and regional consumer packaged goods companies and contract packagers and fillers serving a diverse set of markets, including food and specialty beverage, home care, professional cleaning, nutrition and wellness, and pet care. Radius specializes in short- to mid-run packaging solutions for even the most complex needs. From concept to commercialization, Radius creates innovative, functional, and sustainable solutions supported by a dedicated team of packaging experts who put customers first.
