Radius Packaging Wins Excellence in Employee Relations Award

NEW BERLIN, Wisconsin, March 19, 2024—

Radius Packaging was honored as a Processor of the Year finalist at the Plastics News Executive Forum on March 13th, 2024, in Clearwater Beach, FL. Radius was also presented with the Plastics News Excellence in Employee Relations award.

The Excellence in Employee Relations award recognizes Radius' commitment to fostering a supportive workplace environment and nurturing a strong company culture. Radius was specifically celebrated for its continuing education initiatives, recognition programs, engaging employee events, and opportunities for career advancement.

Nicole Leiberis, Marketing Manager at Radius, stated, "We are proud of our team's commitment to excellence, and this award reaffirms our collective mission to drive positive change in our organization and the industry."

Radius Packaging extends its gratitude to Plastics News for this honor and remains steadfast in its pursuit of employee development and satisfaction.
